**DAY 3 (BLD): DAINTREE RAINFOREST**

**Sunday, 22 June 2025**

An early start sees us indulge in the ultimate “Breakfast with the Birds” at Wildlife Habitat. Immersed within the wetland environment, enjoy an array of sounds and colours from wildlife as they wander freely amongst us while we are treated to a fantastic tropical breakfast. Next, we visit Mossman Gorge, where we learn the fascinating secrets of Heritage listed Daintree Rainforest, one of the world’s oldest tropical rainforests. Feel the serenity while watching the river as it tumbles its way over and around the huge granite boulders. We then head to the Daintree River where we embark on a cruise on one of the most densely populated mangrove estuaries in the world. There is nothing quite like watching wildlife while cruising along the beautiful Daintree River. After another fantastic day, we’ll return to Cairns.

*Breakfast at Wildlife Habitat | Lunch at Mossman Gorge Cultural Centre | Dinner at hotel*

**DAY 4 (BLD): GREAT BARRIER REEF**  
**Monday, 23 June 2025**

Today will be spent on the Great Barrier Reef with Great Adventure Cruises. Cairns is a major gateway to the reef - the largest and most complex expanse of living coral on earth. Our first stop is to the beautiful Green Island for a leisurely self-guided nature walk on this unique reef and rainforest coral cay. Departing Green Island we continue our day's adventure on the Great Barrier Reef. We moor alongside a permanent pontoon and enjoy an "on board" reef presentation and a delicious buffet lunch. Our afternoon will include a fish feeding display through the air-conditioned underwater windows, a touch tank display, glass bottom boat coral viewing tour and the use of snorkelling equipment to see the underwater display of coral and fish. We'll return to Cairns late afternoon to complete a fabulous day! *Breakfast and dinner hotel | Lunch included*

**DAY 5 (BD): ATHERTON TABLELANDS**

**Tuesday, 24 June 2025**

Our destination today is the vibrant green land of the Atherton Tablelands. Travelling to Lake Barrine, a beautiful volcanic crater lake, we enjoy morning tea in the Tea House followed by a relaxing cruise on the stunning lake. We then visit the remarkable Curtain Fig Tree, with its curtain of aerial roots that drop 15 metres to the ground. Large basalt boulders cover the forest floor which is probably why the forest here wasn't cleared for farming - and why the tree remains standing. Travelling to the small township of Herberton, we step back in time at the delightful Herberton Historic Village. Showcasing Australia's diverse history, this outdoor pioneer museum is a testament to an era that is long gone. We have lunch here and time to wander the village which features many priceless antiques as well as buildings that have come from the town's ancestors. Completing today's touring, we head back to Cairns for time to freshen up before this evening's dinner at Dundee's Restaurant.

*Breakfast at hotel | Lunch at Lake Barrine | Dinner at Dundee's Restaurant*
